# The way we see it,

everyone deserves the best service. We understand that your guests' otherwise positive experience can be tarnished by parking contractors not focused on all the details of caution, efficiency and customer service. At First Impressions Valet, our entire business model is built around providing our clientele with superior service and guaranteed satisfaction.

PLEASE KEEP THIS STUB IN YOUR POSSESSION.

Here's one you might remember. Ferris Bueller pulls into a downtown Chicago parking garage and hands the valet attendant keys to Cameron's dad's 1961 Ferrari 250 GT. The attendant's response? "You've got nothing to worry about. I'm a professional." He then turns the corner and peels out on a joyride. Sure, it made for a great movie scene. But in the real world of valet parking these scenarios aren't too amusing. So, inspired by the famous John Hughes film, First Impressions Valet has adopted a "No Shady Attendant Ferrari Joyride Policy." And it comes free with every contract.
